Reference: E-books – YOUR SURNAME

NB!! Please send me an email specifying your name and the e-books you have ordered, as this is not given in the bank-generated payment notification. You can use the subject SA E-Book Payment. Please attach the proof of payment and email all the details to me at ebooks@ot-mom-learning-activities.com . If I do not receive these details, I will not know where to send the download links for the e-books! 😊

Once the funds are cleared, I will confirm this and will then manually activate a download link for you, which will be sent to your email address. I don't get to my PC daily, so it may take a day or 2 for me to process your payment and activate your link. Thank you for understanding.

Thank you for supporting OT Mom Learning Activities!
